

Start your journey with Velocity

Welcome to Velocity, the global frequent flyer program of Virgin Australia.

Velocity members can look forward to all the features you'd expect from a frequent flyer program, plus unique benefits that really make a difference.

Get the Reward Seat you want, when you want it.

Getting the Reward Seat you want, when you want is one of the most important features of a frequent flyer program. Not only do we offer the best Reward Seat availability of any program in the Asia Pacific region¹, but if you can't find the Reward Seat you want you can redeem your Points for any seat, on any airline, anywhere².

Our unique range of family benefits.³

- Pool your family members' Points and Status Credits into one account, to receive the rewards and level of membership you want that much sooner.
- If you're expecting a new addition to the family, you'll be able to pause your Silver, Gold or Platinum membership for 6 months.

The higher your membership, the greater the rewards.

Velocity has four levels of membership; Red, Silver, Gold and Platinum. You can make your move up to the next level by earning Status Credits.

Earn Status Credits when you:

- Fly with Virgin Australia
- Take an eligible flight with any of our global airline partners
- Redeem your Points for an Any Seat redemption

The higher your level of membership, the more benefits you receive and the more seamless your journey becomes. See over for a full list of Velocity membership benefits.
