BASE COMMISSIONS POINT OF SALE OUTSIDE AUSTRALIA

JANUARY 2022

***Domestic Australia:** All Virgin Australia marketed and operated flights within Australia - including Christmas (XCH) and Cocos Islands (CCK).

****Trans-Tasman:** All Virgin Australia marketed and operated flights between Australia and New Zealand.

*****International Short Haul:** All Virgin Australia marketed and operated flights between Australia and South East Asia and the Pacific. Our International Short Haul network services destinations including Pacific Islands (Cook Islands, Fiji, Samoa, Solomon Islands and Vanuatu) and Indonesia (VA marketed and operated flight to DPS only).

******International Long Haul:** All Virgin Australia flights to international destinations, excluding International Short Haul and New Zealand destinations. International Long-Haul flights must be ticketed on Virgin Australia (795) ticket stock and must be marketed by Virgin Australia. Please refer to the GDS fare rules (Flight Applications) for any flight restrictions.

Please note:

***POS NZ:** All International tickets issued in New Zealand for travel originating outside New Zealand (Point of Origin outside NZ) are attract 0% commission.

^POS WS: International Short Haul fares ex APW on direct flights to BNE or SYD or on Virgin Australia through fares or Virgin Australia end-on-end combinations ex APW via BNE or SYD to the final destination, on one-way and return fares, marketed and operated by Virgin Australia Airlines, originating in Samoa and ticketed on Virgin Australia (795) ticket stock. All other Virgin Australia International Short Haul destinations are non-commissionable. **No commission will be paid for flights and fares that originate outside Samoa.**

Please also note:

- › Air tickets sold via a publicly available agency website attract 0% commission unless otherwise advised.
- › We continue to monitor our market competitiveness and may vary or change the Base Commission rates payable to you by electronic communications, trade release or by updating this document.

Frequently Asked Questions (FAQs)

Q. What if I sell a Domestic Australia end-on end fare as part of an International ticket?

A. If a Domestic Australia end-on-end fare is combined with an International fare and fare components are validated, the International ticket commission rate applies.

Q. How do I know if I have a agency agreement?

A. You will be in possession of a hard copy agency agreement with a defined term which has not expired. If you are still unsure, please contact your Virgin Australia Sales Representative or VIGS@virginaustralia.com

Where do I go for more information?

Please contact your Virgin Australia Sales Representative or email VIGS@virginaustralia.com
