\$7 Standard In-flight Comfort Kit
Yes, this one still has the little toothpaste. But it also has an eye mask, ear plugs, hand cream, toothbrush and a pen – all in a cute little soft case.

From its humble beginnings back in 2000, to becoming one of the most popular and loved juice and smoothie brands across the globe, Boost is here to spread its 'Love Life' attitude.

In an exciting new partnership, Boost is taking to the skies on board Virgin Australia for the first time.

Start your day with a Boost 'Mornin' Mango' or 'Pineapple Berry Sunrise' smoothie bite bar – just plane delicious. Wash it all down before touchdown with the Boost 'Berry Getaway' or 'Tropical Landing' juice. Or, kick back and relax with the Boost Lime and Chilli Chickpea Crisps. Whatever you're craving, the Boost range has you covered.

Meal times don't really matter up here. So go on, have 'second lunch.' Eat a muffin for dinner. Close the window shade and call it 'cocktail hour.' You deserve it.
