

# Personal Medical Equipment Form

To be completed by passenger.

1. Passengers must notify Virgin Australia of any medical equipment if not listed on the Approved List located at <https://www.virginaustralia.com/au/en/plan/special-needs-assistance/medical-conditions>
2. Approval for the use of medical equipment onboard will apply to Virgin Australia operated flights and not codeshare flights operated by another carrier.
3. Only battery powered equipment may be used on Virgin Australia domestic and short haul international flights and must travel with enough battery power for 150% of flight time to accommodate for diversions or delay.
