

Two networks. Endless possibilities.

Thanks to the partnership between Virgin Australia and Singapore Airlines, you can enjoy seamless travel between Australia and Asia. Plus, access to more rewards with a dual frequent flyer program.

A rewarding partnership like no other

For Velocity Frequent Flyers and KrisFlyer members, our partnership offers great value and reciprocal rewards including:

Seamless Baggage Transfer

Worry-free travel with baggage through-checked from initial departure to final destination.

Loyalty Benefits

The frequent flyer partnership means you can earn, redeem and convert points/miles between both reward programs.

Lounge Access

Qualifying members can relax before their flights with refreshment facilities at the KrisFlyer Gold Lounge, SilverKris Lounges, and Virgin Australia Lounges as applicable.

Loyalty program benefits

Members of Velocity Frequent Flyer and KrisFlyer are able to:

- Earn and redeem Velocity Points, and earn Status Credits on Singapore Airlines' international network.
- Earn and redeem KrisFlyer miles on all Virgin Australia operated services.
- Convert Points and miles between programs.
- Book reward seats across eligible services. Velocity Frequent Flyer members can redeem Economy, Premium Economy and Business Class on Singapore Airlines, and KrisFlyer members can redeem on Economy or Business Class on Virgin Australia.
- Velocity Frequent Flyer members who have linked their membership through KrisFlyer will accrue Velocity Status Credits and PPS Value simultaneously when flying in Suites, First Class or Business Class on Singapore Airlines, if the Velocity membership number is added to the booking prior to departure^.

Additionally, eligible members of both loyalty programs receive the following tier benefits:
