Innovations that bring a peace of mind

Rapid Rebook

An online self-service tool that, when disrupted within 72 hours of scheduled departure, allows the traveller to swiftly and seamlessly select an alternative flight, within three days of their original flight, at a time that better suits their schedule. Rapid Rebook also automates booking a hotel stay, organising transfers, and claiming meal vouchers with the tap of a button if the traveller is eligible under our policies.

Bag tracking[#]

Travellers can now track their checked in baggage on every Virgin Australia flight[#]. Travellers need to simply download the Virgin Australia app and enable notifications to receive regular updates on where their bag is when they fly – from drop off to pick up and in between.
