

Introducing Lite fares to our Agency Partners

Virgin Australia Lite fares are now available via your GDS. The Virgin Australia Lite fare is a suitable choice for your customers seeking the most competitive price point without compromising on service and experience. Lite fares provide great value for your customers who do not require a checked bag, seat selection, or full flexibility to change their travel plans with no cost.

Australia Point of Sale only

All Lite fares will be bookable in “M” class within the GDS. M class works using the principles of Dual RBD filing, which means that subject to the Choice fare brand RBD’s (booking class in the GDS) being available the Lite fare in the M RBD (booking class) will be available at the associated price point for Lite.
