*Successful offers will be selected by Virgin Australia in its sole and absolute discretion based on a number of selection criteria. For full terms and conditions, please refer to [UpgradeMe terms of service](#). Please note that Business Class availability may change, due to the purchase of Business Class fares, Business Class upgrades obtained through other channels, or Business Class guests changing or cancelling flights. This may impact the availability of Business Class upgrades through UpgradeMe Premium Bid. This means, for example, that Business Class seats not available today may become available closer to flight departure. Some standard inclusions of Business Class fares will not be applicable to an upgraded booking, including change/cancellation policies and fees of Business Class fares. The baggage allowance of your original fare will continue to apply following a successful upgrade.

¹ Available at selected ports only.

² Access to Virgin Australia Domestic Lounges only and subject to [Lounge Entry conditions of entry](#).
