Virgin Australia Business Flyer rewards your business, while travellers continue to earn through Velocity Frequent Flyer.

Get your account ready

1

Activate your member Portals

After joining the program, look out for your activation email. Create login details that you'll use to access both the Business Booking Portal & Rewards Portal.

2

Link your Velocity Frequent Flyer account

Link your accounts to access member benefits when booking business travel through the Virgin Australia website or app. Follow the prompts in your Business Booking Portal to link your accounts and verify your Velocity Frequent Flyer number.

3

Add your travellers

Create profiles for people within your business in the Booking Portal using the different user profile types available depending on their role. Add their Velocity Frequent Flyer number so they can earn personal Velocity Points and Status Credits on eligible flights.

4

Let your travellers know

Share how Virgin Australia Business Flyer works with your team and remind travellers to include their Velocity Frequent Flyer number when booking eligible business travel.
