DISPUTES

If you believe that there has been an error in debiting your account, you should notify us directly via e-mail at accounts@virginaustralia.com and confirm that notice in writing with us as soon as possible so that we can resolve your query more quickly.

If we conclude, as a result of our investigations, that your account has been incorrectly debited we will request your financial institution to adjust your account (including interest and charges) accordingly. We will also notify you in writing of the amount by which your account has been adjusted.

If we conclude as a result of our investigations that your account has not been incorrectly debited we will provide you with reasons and any evidence for this finding.

Any queries you may have about an error made in debiting your account should be directed to us in the first instance so that we can attempt to resolve the matter between you and us. If we cannot resolve the matter you can still refer it to your financial institution, which will obtain details from you of the disputed transaction and may lodge a claim on your behalf.

ACCOUNTS

You should check:

- with your financial institution whether direct debiting is available from your account as direct debiting is not available on all accounts offered by financial institutions;
- your account details which you have provided us are correct by checking them against a recent account statement; and
- with your financial institution before completing the Direct Debit Request if you have any queries about how to complete the Direct Debit Request.

CONFIDENTIALITY

We will keep any information (including your account details) in your Direct Debit Request confidential. We will make reasonable efforts to keep any such information that we have about you secure and to ensure that any of our employees or agents who have access to information about you do not make any unauthorised use, modification, reproduction or disclosure of that information.

We will only disclose information we have about you:

- to the extent specifically required by law; or
- for the purpose of the Agreement (including disclosing information in connection with any query or claim).
